

# BEER ON TAP

## LOCAL BREWS

In addition to our rotating selection, we offer *Hopluia*

### Zipline Single Blonde

4.9% ABV

"This golden session ale is fermented just above lager temps to create a smooth, easy drinking beer to finish out the summer. Highlights a single hop variety, Centennial, traditionally featured in IPAs."

### Empyrean Winter Axis Festiv le

6% ABV

"A different spin on a traditional Belgian Abby Ale. Deep gold in color with the aroma of fresh biscuits and ripe fruit, tart in the middle with a crisp, herbal finish. Brewed stong enough to stand up to winter's chill."

### Thunderhead Cornstalker Dark Wheat

5.2% ABV

"Has a bold, dark color that surprises the drinker with a mild clean flavor. A black version of an American Wheat, with some locally malted corn added for a drier, more drinkable, local flavor."

### Nebraska Brewing Co. Hop God

9% ABV

"A beautiful golden crossbreed of a Belgian Tripel and a West Coast IPA. A remarkable explosion on the palate with spiciness, tropical fruit, and a firm citrus bitterness that will leave you begging for more!"

### Upstream D sseldorf Alt-erior Motive

5.8% ABV

"Our Altbier has a rich, malty nose with restrained fruit and low hop aroma followed by a moderately assertive hop bitterness that eventually lingers"

In addition to our rotating selection, we offer *Guinness, Boulevard Wheat* and *Newcastle Seasonal*.

### Hofbr u M nchen Original

5.1% ABV

"Embodies the special atmosphere of the beer-making capital of Munich. Its refreshing, bitter flavour and alcoholic content have made it famous worldwide. A Munich beer with character."

### Odell Fernet Aged Porter

9.8% ABV

"We've collected empty Fernet Barrels and filled them with a rich porter. The roasty chocolate malt character is infused with hints of mint and licorice from the herb-soaked oak, creating a decadent flavor and aroma."

### Odell St. Lupulin

6.5% ABV

"A seasonal summer beer. Dry-hopped extra pale ale with an undeniably pleasing floral aroma and clean, crisp finish."

### New Belgium & Cigar City CollaborationAle

8.5% ABV

"Our Belgian yeast tangos with Anaheim and Marash peppers along with loads of citrusy hops to create an ale full of spice. Aged on Spanish Cedar to salute our mutual love for wood!"

### Deschutes Black Butte Porter

5.2% ABV

"A slight hop bitterness up front enhances the distinctive chocolate and roasted finish. It's prized for its creamy mouthfeel and intense complex flavors."

### Gulden Draak 9000 Quad

10.7% ABV

"Has a complex taste sensation with a rich, luxurious head, a deep rich amber color and a fruity, spicy scent. Together with the smooth and malty sweet taste, this sensation ensures a wonderfully accomplished bouquet."

### Boulevard Imperial Stout

11.8% ABV

"An over-the-top riff on the style, with a huge grain bill featuring several kinds of malted barley, wheat, rye, oats, and spelt. Robust grain and coffee flavors are counterbalanced by date and plum notes from the Belgian yeast."

### Twisted Pine Noel Tripel

9% ABV

"A bold and golden Belgian beauty. Spice-scented hop character floats fragrantly from the glass, mingling with sourdough aromatics from Pilsner malt and fruity esters provided by the yeast."

### Lagunitas Sucks

7.85% ABV

"A 'Cereal Medley' of Barley, Rye, Wheat, and Oat. Full of complexishness from the 4 grains. Then joyously dry-hopped for that big aroma and resinous hop flavor."

### Stone Double Bastard Ale

11.2% ABV

"This is a lacerative muther of a beer. The evil big brother of Arrogant Bastard Ale. It is strongly suggested you stay far, far away from this beer. Those foolish enough to venture close enough to taste will experience a punishingly unforgiving assault on the palate."

### Goose Island Bourbon County Stout

14.9% ABV

"A liquid as dark and dense as a black hole with thick foam the color of a bourbon barrel. The nose is an intense mix of charred oak, chocolate, vanilla, caramel and smoke. One sip has more flavor than your average case of beer."

### Founders Red's Rye IPA

6.6% ABV

"Serious hop bitterness, along with a grapefruit bouquet from the dry hop, balances the malty richness of four varieties of Belgian caramel malts. A generous addition of rye malt accentuates a spicy, crisp finish."

### Crabtree Chunkin Pumpkin

5.7% ABV

"Our Serenity meets sweet and savory with this scrumptious seasonal beer. Real CSA locally grown pumpkins are baked, chunked and thrown directly into the mash tun with a cornucopia of spices."

### Boulder Flashback India Brown Ale

6.8% ABV

"Brewed using five separate hop additions, boasts a citrusy flavor with a prominent hop aroma. Finishes crisp and dry. Dark roasted flavors from the biscuit and chocolate malts complement the bountiful Cascade hops."

### Sprecher Black Bavarian

5.9% ABV

"This intensely dark Kulmbacher style lager has a superb malt complexity with the distinctive flavors and aromas of coffee, caramel and chocolate. A renowned smoothness and a creamy, tan head."
